Some Men Pay \$10,000

For an expert to manage their
advertising. There are others who
pay \$5.00 for an annual subscrip-
tion to printers' ink and learn what
all advertisers are thinking about.
But even these are not the extremes
reached. There are men who lose
over \$100,000 a year by doing
neither one. For sample copy send

A SPLENDID OPPORTUNITY.

An intelligent, wide awake colored
man, who has an eye for business is
needed on The Colored American to
take entire charge of the circulation
department. It is an opportunity for
the right kind of man, who means
business, and who can give bond for
the faithful performance of that duty.
A settled man with family located in
Washington is preferred. For par-
ticulars address The Colored American,
459 C street, northwest.

A SPLENDID BOOK.

It will interest our readers to know
that 6,000 copies of Booker T. Wash-
ington's two books "Up From Slavery"
and "Character Building" have been
sold during the six months, August
1st to February 1st. 35,000 copies of
these two books have been sold since
initial publication. This is rather a
remarkable showing. "Up From Slav-
ery" has had an especially splendid
run. Although it has been published
more than two years, its sustained
sales are very flattering.
